

Financial Policy

We strive to deliver the highest quality, cutting edge dentistry to our patients. We are dedicated to ensuring you get the dental services you require without causing you significant financial hardship.

As a service to you, we will file dental claim forms for you and will accept payment directly from insurance companies. We must have a copy of your most recent insurance card in order to send the claim to the correct location, and file appropriately. Carol, our insurance specialist, will work with your insurance company to assist in utilizing your benefits in relation to treatment needed.

****Your dental copay – the amount your insurance does NOT pay – is due on the day services are rendered.****

For any services not covered by insurance, we have several standard payment options available including cash, checks, Visa, Discover and MasterCard.

For larger cases, we offer financing options through CareCredit, including:

- Short-term, no interest payment plans (6 months/1 year)
- Treatment must exceed \$300 in order to process payment in office

There are no annual fees or prepayment penalties. The approval process is simple, and needs to be completed prior to your arrival. If you have any questions regarding application please contact CareCredit – 1(800) 365-8295.

To the extent permitted under applicable law, I authorize release of all information and radiographs relating to any claims.

I hereby authorize payment of the dental benefits otherwise payable to me, directly to Dr. Charles N Stanfield DDS.

Please note: We do not accept Medicaid/Medicare, HMO's or PPO's. Returned checks will result in \$10 fee.
